SAFE AND SURE.

fr. H. R. Sterena: In 1873 your VEGETISE was recommended to my and, riciding to the persuasions of a friend, I consented to try it. At the time I was collecting from general debility and nervoning and curative properties seemed to afand under its persistent use I rapidly recovered, gatuing more than usual health and good feeling. Since then I have not meetinted to seent as being a safe, suce, and powerful seent in promoting health and restoring the wasted system to new life and energy. Vac-Crisk is the only medicine I use, and as long as live I never expect to find a better, Yours truly, W. H. CLARK.
IZO Montgomery Street, Alleghany, Pa.

VECETINE

The following letter from Rev. G. W. Mandield formerly paster of the Methodiat Episcopal Gaurch, Byde Park, and at present sectled in Lewell must convince every one who reads his letter of the wond-rful curaive qualities of Vroutten as a thorough

Hvus Pane, Mass,, Feb. 15, 1877. up back, and took the form of a large deep-cated abscess, which was fifteen months in

cathering. I had two surgical operations by the best skill in the State, that received no permanent cure. I suffered great pain at times, and was constantly weakoned by a prouse discharge. I also lost small passes of some at different times.

Matters run on thus about seven years, till May, 1974, when a friend recommended me to go to your office, and talk with you of the vir-us of Vsa-Tink. I did so, and by your kind-

note passed brough your manufactory, noting to ingredients, &c., by which your remedy is By what I saw and heard I gained some

acre than a year, when the difficulty for a little north has a year, when the difficulty in the back was coret, and for aline mouths I have along the best of health.

I have in that time gained twenty-five ounds of floch, being heavier than ever becore in my life, and I was never more able to prove habes the new core in the second of th During the past few weeks I had a scrofu-

another part of my hody.

I took Vecerres faithfully, and it removed t level with the serface in a mouth. I think i should have been cured of my main trouble yours if I had taken targer doses, after havog become accustomed to its effects. Let your patrons troubled with serofels or care chronic diseases, and if they will pa-leatly take Vacarine, it will, in my judgment

With great obligations I am Yours very truly.
